

Corporate Social Responsibility (CSR) @ Vistaar

Mr. Brahmanand Hegde
Exe. Vice Chairman

“Our aspirations go beyond becoming a larger robust financial institution. We strive to contribute actively in social initiatives which can play a critical role in social inclusiveness of the country. We, at Vistaar decided to focus on select areas such as quality education, health and sanitation which we believe will help create a maximum impact on society.

As our first CSR initiative, in March’17, the Company teamed-up with **The Teacher Foundation (TTF)** which is managed by Shradha Trust - a registered public non-profit trust that is committed to promoting the development of schools and educators throughout India. The purpose of this collaboration is to empower teachers and heads in Government primary or secondary schools situated in the rural places of Karnataka to address some of the key issues related to learning and development and help schools to become better places for learning.

The Company has also tied-up with **Samparka Seva Trust** who helps to identify right activities and have tie-ups with various NGOs across India. One of the first activities we initiated is conducting Health & Wellness Camps at various Govt. schools in the rural places of Karnataka. We are also working on construction/repair of toilets at various needy schools. The NGO, **YOUTH for SEVA (YFS)**, is the execution partner for all these health and sanitation programmes. We are extremely satisfied with the outcomes of these initial programmes and wish to amplify it to different States too, more particularly into semi-urban and rural areas.”
